Dear **Mrs. Nguyen Luong & Mrs. Nguyen Luong**

Paper Title: **Difficulties encountered by EFL freshman in learning reading skills**

Submission type: **Poster (45 minutes)**

Authors: **Mrs. Nguyen Luong & Mrs. Nguyen Luong**

To prepare for the convention, please consider the following points:

1. Only speakers who are currently living outside of Vietnam AND will not be able to come to attend the convention in-person will be scheduled to present virtually if slots are available.
2. To present your accepted submission(s) at VietTESOL International Convention 2022 (VIC2022), you are required to get a ticket by **July 31, 2022**, to become a **Speaker Attendee** at the convention. Otherwise, your submissions will NOT be included in the Convention Program. Only **ONE ticket** is required regardless of the number of your accepted submissions. That means if you are going to present more than one presentation, you will only need one ticket.

You can get a ticket in one of the following ways:

Option 1: If you are a citizen of an ASEAN country AND will present at the Convention in-person, please get a Free Speaker Ticket following the instructions below.

VietTESOL Association offers up to **300 Free Speaker Tickets** for Speakers to encourage accepted authors to present at VIC2022. These tickets are sponsored by the U.S. Embassy in Vietnam's Regional English Language Office (**RELO Vietnam**). The **Free Speaker Tickets** are exclusive for the authors having an abstract accepted for VIC2022 who 1) are citizens of ASEAN countries and 2) plan to present at the convention in-person.

Because the number of **Free Speaker Tickets** is limited, please only get a **Free Speaker Ticket** if you have a definite plan to come to Nha Trang to present your session. Otherwise, please be considerate so that the opportunity is given to another
